

PARENT PAYMENT ARRANGEMENTS 2023

Year 6

Dear Families,

Ocean Grove Primary School is looking forward to another great year of teaching and learning and would like to advise you of Ocean Grove Primary School's **voluntary** financial contributions for 2023.

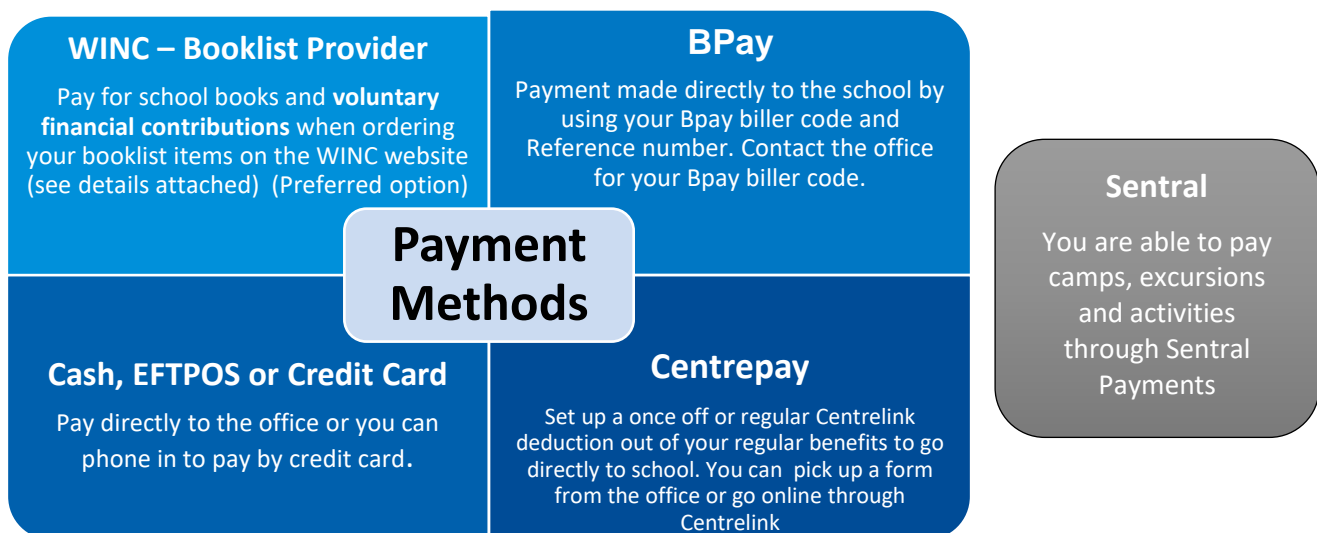

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to financially support learning programs and to maintain and develop our school's buildings and grounds. Without your curriculum and other voluntary contributions we wouldn't be able to provide the quality learning programs in a safe and stimulating environment that we take pride in.

Ocean Grove Primary School is a **non-profit organisation**. The difference between funds provided by the Department of Education and Training through the Student Resource Package and those required for this school to operate to the high standard we expect, leaves a shortfall which our School Council attempts to raise through fundraising, and the voluntary financial contributions which are detailed in Table 1 on page 4.

We use an online purchasing system through WINC for our book packs, where you can also pay for any voluntary contributions as well. Information is attached to this letter showing how to order. Book packs are then delivered to your home during January. Parents are able to purchase through another supplier if desired.

For further information on the Department's Parent Payment Policy please see a one page overview on the school's website. We thank you for your financial contribution to the school so we can continue to add value to your child's education.

Yours sincerely,

Scott McCumber
Principal
