## WHOLE SCHOOL PREVENTION STATEMENT

### a) Preventative School Culture

The foundation of our positive school culture is the provision of a caring and dynamic learning environment that enhances learning, personal growth and well-being and creates a stimulating, safe and supportive environment for all staff, students and school community members. All members of the school community have an active voice which provides opportunities for meaningful contribution to the school, allowing for every opportunity to meet their personal and educational potential.

A key component of the school's approach to prevention is teaching positive behaviours and the use of logical consequences to address appropriate and inappropriate behaviour through student management practices based on a restorative approach. Professional Learning is provided for all staff in this area facilitating the development of a culture of consistency and fairness across the school. Coaching and mentoring from the school leadership team is a component of this.

When a student acts in breach of the behaviour standards of our school community, Ocean Grove Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
